Dairy goat wether class: All sizes and breeds will show together unless there are more than 10, then goats will be taped and divided into 2 classes. A Grand and Reserve Champion wether will be recognized. Dairy goat wethers must be a purebred or crossbred dairy goat but may not have any breed of goat in their genetics that is not an ADGA recognized dairy goat breed. There is not a weight minimum or maximum. Please note that these age divisions may be different at other shows such as an ADGA show or a county fair show.
